## Project Description

According to the Bank's website, IFC is proposing to provide an A-loan of up to US\$25 million to Armstrong ZE ("Armstrong ZE" or "Company"), to partially finance the establishment of a greenfield tyre manufacturing facility near Karachi, Pakistan at an overall cost of US\$ 92 million (the "Project"). The Project aims to address the under-served replacement tyre market in Pakistan, predominantly reliant on imports and the informal sector. The plant, with a production capacity of 1.4 million tyres annually, will focus on producing Armstrong brand tyres for passenger cars and light truck segments.

---

### Early Warning System Project Analysis

This is a Category B project according to IFC's Policy on Environment and Social Sustainability (2012). Based on information reviewed by IFC, the proposed project will have limited adverse E&S impacts that are few, site specific, largely reversible, and readily addressed through existing mitigation measures and good international industry practices (GIIP).

---

## Investment Description

- International Finance Corporation (IFC)

The total estimated Project cost is up to US\$92 million which will be funded by Sponsors' equity, local currency loans and an up to US\$25 million A Loan from IFC.

Investment as approved by the board: 35.0 million (USD)

---

## Private Actors Description

Client: Armstrong Tyres

The shareholding of the Project will be held by the Hussain and Yusufzai families of Pakistan (collectively the “Sponsors”) directly and indirectly. The Sponsors also own Zafar Enterprises in Pakistan and Zafco Holdings in the UAE, both operating in the tyre distribution business.

## ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

## ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org) You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
