## Project Description

As stated by the IFC, the proposed Project consists of a USD senior loan of up to US\$20 million comprising of an IFC A loan of up to US\$10 million and up to US\$10 million in mobilized funding to Banque de Credit de Bujumbura S.M. (BCB). The project will be processed under the Base of the Pyramid program and will be supported by IDA Private Sector Window Blended Finance Facility. IFC's investment will help the Bank scale up lending to micro, small and medium enterprises in Burundi, in the context of FX scarcity in the country. The proposed investment will be accompanied by a US\$5 million trade finance facility under IFC's Global Trade Finance Program to support international trade financing for local exporters/importers.

BCB is headquartered in Bujumbura, Burundi. The Project will support the Bank's lending operations throughout Burundi.
