Project Description

According to the IFC, the proposed Project consists of a 3-year US\$50 million senior secured loan to JSC Bank Center Credit (BCC or the Bank) denominated in the local currency, Kazakh tenge (KZT). The use of proceeds is as follows: 50% for financing eligible climate assets and 50% for on-lending to medium, small, and micro enterprises (MSMEs), with a specific allocation of 25% to women-owned MSMEs (WMSMEs). The proposed Project will be accompanied by up to a US\$10 million trade finance facility under IFC's Global Trade Finance Program (GTFP) to support international trade financing for local exporters/importers.

Green finance portfolio will include mainly financing electric vehicles for individuals. BCC will not finance solar installations, solar distributors, solar panel manufacturers or renewable energy asset developers.

Early Warning System Project Analysis

The IFC categorized the project risk as FI-2.

Investment Description

- International Finance Corporation (IFC)

As stated by the IFC, the proposed senior financing is a US\$50 million A loan for IFC's own account, primarily intended to support the Bank's financing for climate loans, MSMEs, and WMSMEs, and will be accompanied by an up to US\$10 million trade finance facility under the Global Trade Finance Program. GTFP offers confirming banks partial or full guarantees covering payment risk on banks in emerging markets for trade related transactions.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
