Project Description

As stated on the project disclosure page, IFC is partnering with Kera Health Platforms Inc (Kera) to support the development of a healthtech solution for telemedicine and electronic health records (EHRs) in Senegal. This collaboration will help support a product feasibility assessment by evaluating Kera's ability to further develop its product offering to attract and effectively meet the needs of customers with its developing EHR solution and conducting due diligence in the market to test, further develop and evaluate market fit with customers.

Early Warning System Project Analysis

The IFC stated on the project disclosure page that "the project will have no adverse social impacts and will cause minimal environmental impact manageable by standard methods."

Investment Description

- International Finance Corporation (IFC)

ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
