## Project Description

The proposed investment entails an (i) IFC subscription of up to US\$50 million in a sustainability bond to be issued by Jordan Ahli Bank Plc (“JAB” or the “Bank”) in Jordan covering the full amount at issuance and (ii) the provision by IFC of trade finance line of up to US\$40 million under the Global Trade Finance Program (GTFP) for up to one year tenor (the “Project”). The bond will be structured in alignment with the International Capital Market Authority (“ICMA”) Sustainability Bond Guidelines (“SBG”), as confirmed by a Second Party Opinion (“SPO”) provider, and will aim to finance JAB's sustainability assets, including loans towards climate projects and women-owned or women led Small and Medium Enterprises (“WSMEs”).

---

### Early Warning System Project Analysis

The project will not support activities on IFC Exclusion List, any coal-related activities, as well as higher risk business activities that may involve (a) involuntary resettlement, (b) risk of adverse impacts on Indigenous Peoples, (c) significant risks to or impacts on the environment, community health and safety, biodiversity, cultural heritage, or (d) significant Occupational Health and Safety risks. Given that activities to be supported under the project are expected to have low to medium E&S risks, this project has been categorized as FI-2 in accordance with IFC's Sustainability Policy.

## Investment Description

- International Finance Corporation (IFC)

The total Project Cost is up to US\$90 million, consisting of:

- (i) subscription for up to US\$50 million in a 6-year senior Sustainability Bond to be privately issued by JAB for IFC's own account; and
- (ii) Trade finance line of up to US\$40 million under the GTFP with a tenor of up to one year.

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

## ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

## ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org) You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
