Project Description

According to the Bank's website, the proposed project comprises of an up to US\$10 million USD senior loan to Bank of Africa Tanzania Limited ("BOA Tanzania") for IFC's own account. The facility will support the Bank in scaling up its lending to micro, small, and medium enterprises ("MSMEs") and also improve its balance sheet structure by extending its average borrowing tenor to meet its longer term funding needs.

Early Warning System Project Analysis

The Project entails a senior loan to Bank of Africa Tanzania to support SMEs. The SME sectors supported by the bank include transport and communication, trade, real estate, and business services. The E&S risks and impacts associated with the supported SME activities are considered limited and readily addressed through mitigation measures. The overall portfolio risk is considered medium. Thus, the Project has been categorized as FI-2 in accordance with IFC's Sustainability Policy.

Investment Description

- International Finance Corporation (IFC)

The proposed IFC investment is a senior loan of up to US\$10 million with a tenor of 5 year, including a 2-year grace period.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
