Project Description

According to the Bank's website, the proposed project consists of a 5-year senior unsecured loan of up to US\$20 million in USD to Access Bank Ghana to support the provision of funding to Micro, Small, and Medium-sized enterprises (MSMEs) that have been negatively impacted by the COVID-19 pandemic in Ghana. The Project will include up to US\$10 million on IFC's own account and up to US\$10 million in funded mobilization. Up to 30% of the aggregate loan's proceeds will be earmarked to women and women-owned MSMEs, on a best-efforts basis. The Project is being processed under IFC's Base of the Pyramid ("BOP") Program to support the growth of the banks' MSME portfolio and will benefit from up to US\$130 million Pooled First Loss Guarantee ("PFLG") on the BOP Program-level provided by International Development Agency IDA Private Sector Window Blended Finance Facility ("IDA-PSW BFF").

Early Warning System Project Analysis

The proposed investment entails a senior unsecured loan of a size of US\$20 million under the BOP program targeting MSMEs. The Bank's current SME portfolio includes exposures to sectors such as commerce sector and contactors, agriculture, and construction and real estate. As such, the portfolio supported under the Project is expected to comprise business activities with limited adverse environmental and social risks or impacts that are few in number, generally site-specific, largely reversible and readily addressable through mitigation measures.

Investment Description

- International Finance Corporation (IFC)

The Project is a 5 year unsecured amortizing loan of up to US\$20 million with a one year grace period, of which US\$10 million is for IFC's own account and US\$10 million is a funded mobilization.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
