## Project Description

According to the IFC, the proposed IFC investment is a loan of up to US\$33 million (M) to two subsidiaries of Eurasia Group AG, a Switzerland-based company (EG AG, the Guarantor), namely Eurasia Group Kazakhstan LLC (EG KZ) and Eurasia Group Kyrgyzstan LLC (EG KG). The Guarantor distributes and services John Deere and other western-made agricultural machinery through its subsidiaries in Kazakhstan and the Kyrgyz Republic. The proposed financing to EG KZ and EG KG (together, the Companies) will be for the construction of three service centers in Astana, Almaty and Pavlodar in Kazakhstan and one service center in Bishkek, Kyrgyz Republic (the Project). The four service centers will allow the companies to support local farmers and agricultural production in both countries through distribution and maintenance services of agricultural machinery.
