## **Project Description**

According to the Bank's website, the proposed project consists of an unfunded risk sharing facility (RSF) with Raiffeisen Bank JSC (Raiffeisen Bank, or the Bank) for a portfolio of up to US\$50 million consisting of loans, guarantees, and other eligible facilities to small and medium enterprises (SMEs), where IFC's risk participation will be up to 50% (US\$25 million) of the aforementioned SME portfolio (the Project). The objective of the Project is to help the Bank to de-risk and scale up lending to SMEs, particularly to agri-SMEs. The Project is expected to be supported by Blended Finance contributors under the Economic Resilience Action (ERA) Program for Ukraine, as described in the Blended Finance Section.

## Early Warning System Project Analysis

The Project has been categorized as FI-2 according to IFC's Sustainability Policy. The expected portfolio to form the RSF will comprise low to medium environmental and social (E&S) risk investments with potentially limited adverse environmental or social risks or impacts that are few in number, generally site-specific, largely reversible, and readily addressed through mitigation measures. The Project will not support any activities on the IFC Exclusion List, coal, and/or higher-risk business activities, that may include a) involuntary resettlement, b) risk of adverse impacts on indigenous peoples, c) significant risks to or impacts on the environment, community health and safety, biodiversity, cultural heritage, d) significant retrenchment, and/or e) significant occupational health and safety risks.
