## Project Description

According to the Bank's website, the proposed Project is an unfunded trade finance facility, of up to US\$ 30 Mn, to Faysal Bank (FBL or the Bank) for transactions with tenors of up to one year. The purpose of the proposed IFC trade line is to enable FBL to expand its international trade business and support trade in lieu of challenging macroeconomic conditions in Pakistan.

---

## Early Warning System Project Analysis

This Project will support short-term trade finance activities. The E&S risks and impacts associated with these activities are considered low and the project has therefore been classified as a category FI-3 in accordance with IFC's Environmental and Social Sustainability Policy.
