Project Description

According to the Bank's website, the proposed transaction is an equity investment of up to €50 million to MidEuropa Fund VI SCSp. The Fund is a closed-end private equity (PE) fund to be domiciled in Luxembourg with a target size of €800 million. MidEuropa VI will target mid-market companies in Poland and other countries in Central and Eastern Europe ("CEE").

Early Warning System Project Analysis

The Fund will focus on consumer, services, healthcare and technology sectors in Poland, Central and Eastern Europe (CEE) as well as the Western Balkans (Serbia, Bosnia-Herzegovina, Montenegro, North Macedonia, Kosovo and Albania). Potential E&S risks and impacts are typically associated with occupational health and safety, life & fire safety issues, labor and gender issues, waste management, and working conditions. The Project is expected to have limited adverse environmental and/or social risks or impacts that are few in number, generally site specific, largely reversible, and can be readily addressed through mitigation measures and as such the project has been categorized as FI-2 in accordance with IFC Sustainability Policy.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
