Project Description

According to the IFC, Camposol S.A. is a leading multinational agribusiness company specializing in the production, processing, and export of high-quality fresh fruit. Camposol's agricultural operations extend across Peru, Colombia, Uruguay, and Chile, with a vertically integrated business model that ensures quality control across the entire supply chain. The proposed financing package is intended to support Camposol's long-term growth strategy by funding strategic investments to expand and modernize its blueberry operations and to proactively address upcoming debt maturities. The investment forms part of the Company's broader plan to enhance productivity and resilience by gradually replacing traditional blueberry varieties with its own proprietary genetics.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
