Project Description

According to bank provided information, the proposed investment is for IFC to subscribe to up to US\$100 million in Adaptation and Resilience Blue Bond to be issued by Arab Bank plc (the Bank or Arab Bank), through a private placement of up to US\$100 million (the Project). IFC's participation will be from its own account, alongside potential mobilization. The proposed financing aims to support the Bank's strategic and pioneering direction in blue financing and builds on IFC's efforts to support banks in Jordan to leverage thematic debt capital market instruments to raise longer term funding and expand their offerings targeting sustainable, climate and blue finance.
