Enel Green Value Chains

Quick Facts

Financial Institutions	International Finance Corporation (IFC)
Status	Proposed
Bank Risk Rating	B
Voting Date	2026-09-15
Borrower	ENEL FINANCE INTERNATIONAL N.V.
Sectors	Climate and Environment, Infrastructure
Investment Type(s)	Loan
Investment Amount (USD)	$ 300.00 million
Loan Amount (USD)	$ 300.00 million
Project Cost (USD)	$ 1,200.00 million

Project Description

According to the IFC, the proposed investment consists of a 10-year corporate loan of up to €1,200 million to Enel Finance International (the “Borrower”), a wholly owned financing vehicle of Enel S.p.A. (the “Sponsor”). The investment will finance the procurement of green electrical equipment, works and services intended to improve grid resilience and quality of service in selected electricity distribution, digitalization, and energy efficiency operations of Enel in Latin America (“Green Value Chains”, or the “Project”).

Investment Description

- International Finance Corporation (IFC)

Private Actors Description

According to the IFC, Enel S.p.A. (“Enel”) is a global power utility headquartered in Italy, operating across generation (86 GW of installed capacity), distribution (69 million end-users), and retail supply of electricity and gas in 41 countries across Europe, Latin America and North America. The company is publicly listed on the Euronext Milan market. Enel Finance International (“EFI”) is Enel‘s principal external funding vehicle, raising debt in the international capital markets through bond issuances and bank loans.

Contact Information

ACCESS TO INFORMATION

You can submit a request for information disclosure at: https://disclosures.ifc.org/#/inquiries

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org
