Quick Facts

Financial Institutions	International Finance Corporation (IFC)
Status	Approved
Bank Risk Rating	B
Voting Date	2026-07-15
Borrower	Nitron Group Corporation; ING Bank N.V.
Sectors	Agriculture and Forestry, Finance, Industry and Trade
Investment Type(s)	Guarantee
Investment Amount (USD)	\$ 20.00 million
Project Cost (USD)	\$ 200.00 million

Project Description

As stated by the IFC, the proposed investment consists of unfunded risk participations totaling up to USD 20 million by IFC in a USD 200 million trade finance facility arranged by ING Bank N.V. in favor of Nitron Group Corporation. The purpose of the facility is to help finance the purchase, storage and transportation of fertilizers by Nitron for sales into primarily Latin America, as well as Africa, and to a lesser extent Europe and Asia.

Investment Description

- International Finance Corporation (IFC)

As stated by the IFC, the total amount of the Facility is estimated at US\$ 200 million with a proposed IFC participation of US\$ 20 million.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

Private Actors Description

As stated by the IFC, ING N.V. is a leading Dutch multinational banking and financial services groups, serving retail and wholesale banking clients across more than 40 countries worldwide. Headquartered in Amsterdam, ING focuses on delivering banking services with a strong digital and customer-centric approach to individuals, small businesses and corporates. ING Groep N.V. is listed on Euronext Amsterdam, with American Depositary Receipts traded on the New York Stock Exchange.

Nitron is a privately held global trader of chemical and agricultural fertilizers, headquartered in Greenwich, Connecticut, USA. Founded in 1982, the company's core business is fertilizer trading, supported by a diversified international supplier and customer base. Nitron operates through a global network of offices across approximately 15 countries, with a strong presence in Latin America and Europe, and employs around 150 staff worldwide. The company is owned by four private shareholders.

ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
