Project Description

This project provides advisory services to advance corporate governance practices among the private sector in Europe and Central Asia. This includes improving corporate governance practices in select companies (primarily current or potential IFC clients), strengthening corporate capacity building, improving the legal and regulatory environment, and contribute to higher public awareness of corporate governance issues.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
