## Project Description

The program would advise IFC clients on developing a fully-fledged department offering a broad range of financial services to the entire agriculture sector value chain, as well as understanding and managing the risk-return elements of agricultural lending in Sub-Saharan Africa. This program would also indirectly provide risk mitigation through the World Bank Group Global Index Insurance Facility (GIIF) and innovation via IFC Mobile Financial Services Program.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
