Project Description

The program would advise IFC clients on developing a fully-fledged department offering a broad range of financial services to the entire agriculture sector value chain, as well as understanding and managing the risk-return elements of agricultural lending in Sub-Saharan Africa. This program would also indirectly provide risk mitigation through the World Bank Group Global Index Insurance Facility (GIIF) and innovation via IFC Mobile Financial Services Program.

Investment Description

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
