## Project Description

This project finances transaction advisory support to the Ministry of Transport of the State of Palestine to assist in investigating the feasibility of attracting private sector participation for the provision and maintenance of new busses to be leased to the existing private bus companies in the West Bank.

## People Affected By This Project

The project is expected to lead to an increased access to improved bus services in the project location, and a reduction in CO2 emitted due to the use of more energy efficient buses

### Investment Description

- International Finance Corporation (IFC)

This project is funded by a grant from the Dutch Ministry of Development for the purpose of project preparation and implementation.

ACCOUNTABILITY MECHANISM OF IFC
The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
