Project Cost (USD)	$ 0.93 million

Project Description

The MoH has requested IFC support in structuring and delivering six regional Cancer Care centres per the Kenya PPP Act (2013), through a Build-Own Operate scheme where the private party designs, finances, constructs, operates and maintains the infrastructure facility and provides clinical services for a specified period of time. The six regional facilities will be located in:

1. Kisii County
2. Nyeri County
3. Mombasa County
4. Nakuru County
5. Nairobi County
6. Eldoret County

People Affected By This Project

Increased access to specialized cancer treatment services at three additional regional sites in Kenya.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
