Project Description

According to IFC, the objective of the Cambodia Investment Diversification project is to support the implementation of Cambodia's Industrial Development Policy through generating, retaining and diversifying investments in the country as well as improving the capacity of the domestic SME sector to participate in regional and global value chains. This will be achieved by:

1. Supporting the Government of Cambodia to improve the investment regime including investment entry, incentives and investor protection
2. Working with the government, multinational enterprises (MNEs) and small and medium-sized enterprises (SMEs) to facilitate MNE-SME linkages

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
