## Project Description

IFC will support forestry clients to strengthen environmental and social (E&S) management practices to address increasingly complex E&S challenges at several of its operations in Indonesia and other locations in Southeast Asia. The project will provide

advice and recommendations to forestry and wood product operations on the following:

- i) Stakeholder engagement strategy
- ii) E&S management system structure and procedures
- iii) Enhanced wood supply management and certification

---

## People Affected By This Project

IFC will support forestry clients to strengthen environmental and social (E&S) management practices in their forestry and wood product operations in Southeast Asia consistent with IFCs Performance Standards, and to address increasingly complex E&S challenges.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
