Project Description

The project will assist MicroCred Mali, a greenfield microfinance institution, in its micro and SME lending operations by providing advisory services. The microfinance bank will be supported by MicroCred Holding, a microfinance holding company and IFC investee, as a technical partner. Specifically, the project will assist MicroCred Mali, through a performance-based grant, in sponsoring key management positions, providing technical trainings to managers and loan officers.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
