Project Description

The project will focus on the following aspects: (i) build the capacity of lenders on movables finance; (ii) increase knowledge of the Secured Transactions Legal Framework and Registration System; and (iii) develop the leasing industry by supporting an improved regulatory environment.

IFC's Lao Secured Transaction Phase 2 project aims to improve access to finance for underserved SMEs in Lao, by strengthening the country's financial infrastructure to facilitate lending secured by movable assets.

Investment Description

- International Finance Corporation (IFC)

MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
