## Project Description

This program will combine in depth advisory services to index insurance stakeholders, training workshops in index insurance and knowledge management activities.
The primary objective of the program is to support index insurance stakeholders with advisory services to insure smallholder farmers in Sub Saharan Africa. The secondary objective of this program is to support index insurance stakeholders with advisory services to produce significant index insurance premium volumes.

## Investment Description

- International Finance Corporation (IFC)

## Contact Information

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
