Status	Approved
Bank Risk Rating	U
Voting Date	2015-11-25
Borrower	(Not Provided at the time of disclosure)
Sectors	Agriculture and Forestry, Industry and Trade
Project Cost (USD)	$ 2.12 million

Project Description

The project seeks to increase the country's competitiveness as an investment destination and support the Government to attract, support and retain investments in non-extractives sectors (agribusiness, tourism) where the country has proven comparative advantages. The Project has three mutually reinforcing components: one focused on delivering economy wide Investment climate reform, a second focusing on enhancing the enabling environment for investment entry and operation in priority sectors (agribusiness and tourism) and the third focused on removing selected barriers to trade.

People Affected By This Project

The project will seek to increase the country's competitiveness as an investment destination and support the Government to attract, support and retain investments in non-extractives sectors (agribusiness, tourism) where the country has proven comparative advantages. The project will support a) economy wide investment climate reforms, b) trade logistics reform as well as c) sector specific advisory to unlock binding constraints and catalyze domestic and international investment in agribusiness and tourism.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
