Investment Amount (USD)	$ 3.30 million

Project Description

This project will build upon the now closed IFC-funded Agri Investment & Climate Project (project number 584508), which had policy components aimed at regulating agricultural markets in Ukraine. The overall goal of the project is to support increase of exports by improving the competitiveness of Ukrainian producers and facilitating their compliance with foreign markets access requirements.

According to bank documents, the project has the following components:

1) Business regulations
2) Agribusiness markets, including food safety
3) Trade facilitation and logistics related to river and sea port transportation

People Affected By This Project

The overall goal of the project is to support increase of exports by improving the competitiveness of Ukrainian producers and facilitating their compliance with foreign markets access requirements.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
