Project Description

This project aims to support the increased level of finance for Micro, Small, and Medium enterprises (MSMEs) in India, especailly to underserved segments such as women-owned enterprises and MSMEs situated in the low-income states, through building capacity of Financial Institutions in India. The main areas of focus for the project will be:

1. Providing techncial assistance to support and build capacity of partner financial institutions to expand their outreach and portfolio to MSME sector, including offering business development services to MSMEs.
2. Facilitating the adoption of customized and strong risk management practices.

People Affected By This Project

The proposed project will support increased access to financial services to Micro, Small, and Medium Enterprises (MSMEs), through strengthening the MSME finance business lines and risk management systems of financial institutions to enable them to provide demand-led financial services to this underserved sector.

Investment Description

- International Finance Corporation (IFC)

Estimated Total Budget
$1,971,000.00
(Project budget includes all project-funded activities)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
