Project Description

This project provides funding for Central and State Government Departments on their Doing Business agenda, including: assistance on what to reform, how to reform, implementation of reform, monitoring and evaluation of reforms, and support for reform sustainability.

People Affected By This Project

The overall goal of the project is to catalyze business regulation reform in India by capacitating key change agents. This will be done by institutionalizing a reform agenda within key entities that govern business regulations, both on Doing Business indicators, as well as broader business regulation, and by achieving quick win regulatory reforms in key states to build a case for further state-level reform adoption.

Specifically, the project will achieve the following by project completion:

- a) DIPP will institutionalize DB reform program through the creation of task force(s), reform monitoring team(s) and other mechanisms to stimulate reforms at the central and state government levels;
- b) At least two states will develop reform action plans based on implementing best practices informed by the knowledge products prepared by the project
- c) At least 2 states will implement at least one reform from the reform action plans utilizing TA support from the project team

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
