Status	Active
Bank Risk Rating	U
Voting Date	2015-03-05
Sectors	Agriculture and Forestry, Industry and Trade, Technical Cooperation
Project Cost (USD)	$ 1.61 million

Project Description

This project aims to increase the competitiveness of the coffee sector in an undisclosed country in Sub-Saharan Africa. No other information is provided.

People Affected By This Project

The overarching objective of the coffee sector intervention is to support increased competitiveness and inclusive growth in the coffee sector. Proposed actions under this intervention are expected to lead to increased private sector investment, increased quantity and quality of coffee produced, enhanced efficiency of coffee exports as well as higher incomes for farmers.

Investment Description

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
