Project Description

The South Africa Corporate Governance Program aims to build sustainable businesses and improve the business environment through targeted CG services.

1: Firm-level: Provide direct assistance to selected firms, such as:
- CG Assessment and Development of Improvement Plan
- Training on CG principles, practices and framework as well as benefits thereof

2: Market-level: Build capacity and strengthen CG intermediaries and market infrastructure through training-of-trainers events and other interventions to help training institutes, Local CG service providers and other market intermediaries (associations, investors, media, consultants) increase outreach to firms and other institutions across Sub-Sahara Africa

3: Macro-Level: Awareness raising activities to trigger interest and awareness of the effort of IFC and South African institutions to increase outreach to and potentially influence CG practices and adoption in other countries and firms across the region.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
