Project Description

This program is expected to contribute to SME development through the provision of: Expanded Non-Financial Services to enable SMEs access suitable finance, networking/mentoring, information dissemination and consulting training. Expanded value chain engagements with corporates and multinational companies to expand business opportunities for SMEs. Leverage Intermediaries and stakeholders to improve the Ecosystem for SMEs via training and other platforms. Expanded capacity of local trainers to provide structured business management and technical/industry standard training to SME for business opportunities. Expand capacity for business and sector specific market information dissemination via SME Toolkit and other platforms to SMEs.

Investment Description

- International Finance Corporation (IFC)

Contact Information

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
