Borrower Asociación Popular de Ahorros y Prestamos (APAP)

Sectors Finance Investment Amount (USD) \$ 0.46 million

Project Description

IFC will implement an advisory project to help APAP design, develop and roll out its SME strategy. Through this project, IFC will support APAP in conducting market research to define its target segment among small and medium enterprises, understand their specific needs and design a business model to best serve these enterprises.

Investment Description

• International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
