Quick Facts

Countries	Ukraine
Financial Institutions	International Finance Corporation (IFC)
Status	Approved
Bank Risk Rating	U
Voting Date	2015-10-08
Sectors	Water and Sanitation
Investment Amount (USD)	$ 0.43 million

Project Description

The IFC is funding the following project activities:
--Assessment of the existing contract for the production and supply of heat, and the incineration of municipal solid waste (the Services).
--Assessment of options for structuring and competitively bidding a PPP for these services. The potential PPP would include improved management of the existing infrastructure under much better terms and conditions for the city, improved services for people, and mobilizing private investments in energy efficiency and service improvement.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
