## Project Description

According to IFC website, this project aims to promote sustainable private sector-driven growth in Georgia. The Project will be executed by the Trade and Competitiveness Global Practice of the World Bank Group (WBG). The Project will assist the government to: (i) Attract and retain investments in high-value added export sectors; and (ii) Streamline customs procedures, leading Georgia complying with the Trade Facilitation Agreement requirements upon the project completion.

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
