## Project Description

The objective of this project is to support the greenfield microfinance institution, Centre Financier aux Entrepreneurs (CFE) Tunisie, to scale up in a more sustainable manner and offer a well-adapted set of financial services to un- and/or under-served very small enterprises (VSEs), its target market. IFC will be providing advisory services (AS) to support CFE Tunisie specifically in its efforts to: (i) ensure its sustainability by building necessary capacity and improving its breakeven point and business-model in line with its strategic positioning, (ii) roll out and ensure a viable product offering to serve the VSE segment in Tunisia, and (iii) better manage risks and enhance resilience.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
