Project Description

The objective of this project is to support the greenfield microfinance institution, Centre Financier aux Entrepreneurs (CFE) Tunisie, to scale up in a more sustainable manner and offer a well-adapted set of financial services to un- and/or under-served very small enterprises (VSEs), its target market. IFC will be providing advisory services (AS) to support CFE Tunisie specifically in its efforts to: (i) ensure its sustainability by building necessary capacity and improving its breakeven point and business-model in line with its strategic positioning, (ii) roll out and ensure a viable product offering to serve the VSE segment in Tunisia, and (iii) better manage risks and enhance resilience.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
