Project Description

This project provides financing for integrating low-income producers into the global markets through working out an inclusive business program with a global company Kagome. This project will strengthen Kagome's inclusive supply chain with access to reliable supply and improve the quality and productivity of low-income country smallholder farmers.

The components of the project include:

- providing support to integrate smallholder farmers into Kagome's supply chain
- measuring the levels of consumption/expenditure and poverty level of the potential suppliers
- sharing Kagome's experience with businesses worldwide

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
