### Project Description

IFC's advisory engagement with Tamweelcom will consist of two components: (i) Product Development for Business Lending, which will support the MFI in strengthening and streamlining their business lending products as well as further develop their VSE product; and (ii) Risk Management, which will include work in the areas of credit scoring, process mapping and reengineering, and financial risk implementation.

---

## Investment Description

- International Finance Corporation (IFC)

## Contact Information

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
