Project Description

ECA TFSP is a rapid response tool to help countries align with the requirements of the World Trade Organizations Trade Facilitation Agreement, which entered into force in February 2017. The activities envisaged under ECA TFSP can be categorized into two components 1) public private dialog, transparency, and border agency collaboration and 2) activities directly supporting the expedited clearance of cargo. The program will also support peer to peer learning events. The ECA TFSP program is open to all countries of the ECA region, with priority given to IDA countries.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
