Project Cost (USD)	$ 1.75 million

Project Description

This Project will aim at creating new markets for private investment in the agribusiness sector of Senegal, with a focus on the mango industry, while at the same time identifying investment opportunities beyond the mango sector through analytical work.

People Affected By This Project

The objective of the Invest West Africa - Senegal Agribusiness Competitiveness Advisory Project (the "Project") is to contribute to creating markets for increased private investment and job creation in the agribusiness sector in Senegal.

The project is expected to contribute to new private investment realized in the agribusiness sector [target: 9 million USD by completion and 19 million USD three-years post completion].

Additional baseline data will be gathered within the first year of implementation.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
