Project Description

This project finances improvements to the competitiveness of the Kyrgyz dairy sector, complementing two other World Bank projects in the Issyk-Kul region. This project aims to improve access to finance for farmers, small and medium-sized enterprises, and aggregators, and improve access to markets for the dairy value chain. Components include improving the regulatory environment, institutional reform in animal health, improvements to investment policy and promotion of the dairy sector, and the creation and implementation of public-private dialogue in the dairy sector.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
