Project Description

SME V OAF will provide support to Oasis by supporting portfolio value creation and exits of the remaining deals under EVF. For OAF, Advisory will provide resources to support networking in the new Cote d'Ivoire market, ensure better deal generation and structuring for OAF, and focus on investment strategy, team capacity, and pipeline development. The technical assistance for OAF will also support Oasis' portfolio value creation which, based on learnings from the first fund, will target upgrades to SMEs financial and management systems and enhancing SMEs technical expertise for competitiveness. WBG advisory support through the Financial Markets GP will study and provide recommendations on the regulatory environment as needed in Ghana and Cote d'Ivoire.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
