## Project Description

IFC will assist the client to assess potential markets for entry/expansion at regional, country, and/or city level. IFC will identify shortlist and select targets for acquisition or partnership; and support valuation, negotiations and transaction execution up to deal closure.

---

### People Affected By This Project

By the end of implementation, the project is expected to result in the client having selected a target for acquisition or to partner. The project will facilitate private sector investment and enhance private sector growth, strengthening local economies.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
