## Project Description

This project provides advisory services for Global Insurance Solutions for Emerging Clients (G-ISEC) Program, which facilitates health insurance for low-income population and low-income countries. In particular, the project aims to implement replicable and scalable models of innovative health financing for the informal sector. The focus is on BEL, a leading branded cheese producer and distributor with vast global operations

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
