## Project Description

This project provides financing to the Lebanese Association for Development, a leading micro-finance institution, for the scaling up of its lending to very small enterprises with a particular focus on communities hosting refugees. This project will also support the development of a very small equity product that will target both Syrian refugees and host communities that will provide an asset, share revenues with the asset holder and allow the asset holder to gradually buy the assets.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
