Project Description

The goal of this project is to support the Reserve Bank of Malawi and its stakeholders to strengthen and expand Malawi's credit reporting system through the promotion and adoption of international best practices, the General Principles for Credit Reporting in Malawi.

The overall objective of this project is to strengthen and expand credit reporting in Malawi in order to increase access to finance for individuals and Micro, Small and Medium Enterprises. The project will work closely with Reserve Bank of Malawi and key stakeholders through a Stakeholders Working Group or technical committee/committees.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
