## Project Description

The overall objective of the program is to support the client to improve economic growth and diversification through increased competitiveness and access to international markets. The program will focus on three targeted areas of reform, including:

- 1) Reducing time/costs of doing business by streamlining business regulation;
- 2) Improving access to international markets and reducing business costs for import/export; and
- 3) Supporting economic diversification and improved competitiveness through sector specific and economy wide interventions.

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
