## Project Description

According to the IFC website:

'IFC will conduct research into the impacts of the sharing economy on women. It will inform:

Opportunities and risks for women the sharing economy across six mature and emerging markets;

Best practice recommendations on gender for companies working in the sharing economy; and

Overarching insights on the intersection of gender and the sharing economy, including indirect social and economic impacts and differing trends between regions and economies."

Information about the project was limited at the time of disclosure.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
