---

## Project Description

IFC will support Iris Guard to help scale up its current offering of the iris based, e-payment solution for refugees and work with humanitarian agencies such as UNHCR and WFP. This will also help prepare the institution to eventually build out its business model by identifying new products and developing new partnerships in neighboring countries and beyond.

---

### People Affected By This Project

The overall goal of this project is to help IrisGuard to scale up and provide payment solutions to a greater number refugees and other un-banked or under-banked populations in Jordan.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
